

HOUSE OF REPRESENTATIVES, COMMITTEE ON HOMELAND SECURITY  
Washington, DC, April 11, 2013.

Hon. MIKE ROGERS,  
Chairman, House Permanent Select Committee on Intelligence, Washington, DC.

DEAR CHAIRMAN ROGERS: On April 10, 2013, the House Permanent Select Committee on Intelligence ordered H.R. 624, the "Cyber Intelligence Sharing and Protection Act", reported favorably to the House with certain provisions in the legislation that fall within the Rule X jurisdiction of the Committee on Homeland Security. Specifically, this legislation identifies the Department of Homeland Security's National Cybersecurity and Communications Integrations Center (NCCIC) as a principal entity for sharing cybersecurity information with the Federal government and amongst stakeholders.

The NCCIC partners with all Federal departments and agencies, State, local, Tribal, and territorial governments, as well as private sector and international entities. The Center works with critical infrastructure owners and operators to reduce risk, coordinates national response efforts to significant cyber incidents, and shares cybersecurity threat and vulnerability assessment information throughout the Federal government. These actions, along with the cybersecurity information provided through the NCCIC, trigger the jurisdiction of the Committee on Homeland Security over functions of the Department of Homeland Security relating to integration, analysis, and dissemination of homeland security information.

In the interest of permitting your committee to proceed expeditiously with consideration of this important legislation, the Committee on Homeland Security will not request a sequential referral over provisions within our jurisdiction. However, I do so with the mutual understanding that the Committee's jurisdictional claims over subject matters contained in this and similar legislation are in no way diminished or altered. I request that you urge the Speaker to name members of this Committee to any conference committee for consideration of provisions that fall within the jurisdiction of the Committee on Homeland Security in the House-Senate conference on this bill or similar legislation.

Finally, I ask that you place this letter and your response into the committee report on H.R. 624 and into the CONGRESSIONAL RECORD during consideration of the measure on the House floor. Thank you for your consideration of this matter.

Sincerely,

MICHAEL T. MCCAUL,  
Chairman.

HOUSE OF REPRESENTATIVES, PERMANENT SELECT COMMITTEE ON INTELLIGENCE,  
Washington, DC, April 12, 2013.

Hon. MICHAEL T. MCCAUL,  
Chairman, Committee on Homeland Security, Washington, DC.

DEAR CHAIRMAN MCCAUL: This responds to your letter dated April 11, 2013 concerning H.R. 624 the Cyber Intelligence Sharing and Protection Act (CISPA). Specifically, you noted the provision contained in the legislation relating to the Department of Homeland Security's National Cybersecurity and Communications Integration Center (NCCIC).

I appreciate your decision to forego requesting referral of H.R. 624 to the House Homeland Security Committee in the interest of expediting floor consideration of this legislation. I also acknowledge that this decision will not diminish or alter the Homeland Security Committee's jurisdictional claims over subject matters contained in this and similar legislation. I will also sup-

port your request that the Speaker name members of the Homeland Security Committee to any conference committee for consideration of provisions that fall within the jurisdiction of the Committee on Homeland Security in the House-Senate conference on this bill. Finally, I will include a copy of your letter and this response letter in the Committee's report on H.R. 624 and in the Congressional Record during consideration of H.R. 624 on the House Floor.

Sincerely,

MIKE ROGERS,  
Chairman.

HOUSE OF REPRESENTATIVES, COMMITTEE ON ARMED SERVICES,  
Washington, DC, April 18, 2013.

Chairman MIKE ROGERS,  
House Permanent Select Committee on Intelligence, House of Representatives, Washington, DC.

DEAR CHAIRMAN ROGERS: I am writing to raise concerns relating to amendment #42 to the Cyber Intelligence and Sharing Protection Act (CISPA), H.R. 624, as modified and introduced by you, Chairman McCaul, and Ranking Members Ruppertsberger and Thompson.

First, I am concerned about the possible impact of this amendment on current cyber threat information sharing programs with the Department of Defense (DOD). Based on the short amount of time we have had to review and comment on the amendment, we have not had an opportunity to fully assess the potential effects on DOD activities. In particular, we must ensure that there is no "chilling effect" on sharing between the Defense Industrial Base and DOD that is so critical to our national security.

Second, I am also seeking to clarify the intent behind a specific change proposed by the modified amendment. The amendment would alter the current text, which states that a cybersecurity provider may share cyber threat information "with the express consent of a protected entity" with any entity, "including, if specifically designated, the Federal Government." The amendment would change the reference from "Federal Government" to the Departments of Homeland Security and Justice. I seek to confirm that the intent of the amendment is not to preclude sharing of cyber threat information with the Department of Defense when a cybersecurity provider has received the consent of a protected entity.

More generally, we must ensure that there is no time delay or other obstructions to passing cyber threat information critical for our national defense to DOD.

I am seeking a commitment from you to work with the Armed Services Committee to determine if any further changes to the legislation might be needed, and if possible incorporate those changes when this bill is conferred with the Senate.

Sincerely,

HOWARD P. "BUCK" MCKEON,  
Chairman.

HOUSE OF REPRESENTATIVES, PERMANENT SELECT COMMITTEE ON INTELLIGENCE,  
Washington, DC, April 18, 2013.

Hon. BUCK MCKEON,  
Chairman, Committee on Armed Services, Washington, DC.

DEAR MR. CHAIRMAN: This responds to your letter about an amendment I co-sponsored with Chairman McCaul, and Ranking Members Ruppertsberger and Thompson during floor consideration of H.R. 624, The Cyber Intelligence Sharing and Protection Act (CISPA).

I understand you have concerns about a possible "chilling effect" of this amendment

on current cyber threat information sharing programs with the Department of Defense, and about changing the reference to "Federal Government" to the Departments of Homeland Security and Justice. I confirm that the amendment is not intended to, and does not, preclude sharing of cyber threat information with the Department of Defense when a cybersecurity provider has received the consent of a protected entity.

Additionally, I understand your concerns about the application of (b)(3)(A) and section 941(c)(3) of the National Defense Authorization Act for Fiscal Year 2013. I commit to working with you in an effort to identify a mutually agreeable approach to this matter.

Sincerely,

MIKE ROGERS,  
Chairman.
